

# Clarity (feat. Luke Conard & Landon Austin)

[Alex Goot](#)

high drive into frozen waves where the past comes back to life  
fight fear for the selfish pain and it's worth it every time  
hold still right before we crash cause we both know how this ends  
out clock ticks till it breaks your glass and I drown in you again  
cause you are the piece of me I wish I didn't need  
chasing relentlessly still fight and I don't know why  
if our love is tragedy why are you my remedy  
if our love's insanity why are you my clarity  
walk on through a red parade and refuse to make amends  
It cuts deep through our ground and makes us forget all common  
sense don't speak as I try to leave cause we both know what we'll choose  
if you pull, then I'll push to deep and I'll fall right back to you  
cause you are the piece of me I wish I didn't need  
chasing relentlessly still fight and I don't know why  
if our love is tragedy why are you my remedy  
of our love's insanity why are you my clarity  
why are you my remedy why are you my remedy  
if our love is tragedy why are you my remedy  
if our love's insanity why are you my clarity
