

# What Do I Know?

Ed Sheeran

Ain't got a soapbox I can stand upon  
But God gave me a stage, a guitar and a song  
My daddy told me: "Son, don't you get involved in  
Politics, religions or other people's quarrels" I'll paint the picture, let me set the scene  
I know when I have children, they will know what it means  
And I'll pass on these things my family's given to me  
Just love and understanding, positivity We could change this whole world with a piano  
Add a bass, some guitar, grab a beat and away we go  
I'm just a boy with a one-man show  
No university, no degree, but Lord knows Everybody's talking about exponential growth  
And the stock market crashing in their portfolios  
While I'll be sitting here with a song that I wrote  
Saying: "Love could change the world in a moment, but what do I know?"  
Love can change the world in a moment, but what do I know?  
Love can change the world in a moment The revolution's coming, it's a minute away  
I saw people marching in the streets today  
You know we are made up of love and hate  
But both of them are balanced on a razor blade I'll paint the picture, let me set the scene  
I know, I'm all for people following their dreams  
Just remember life is more than fitting in your jeans  
It's love and understanding, positivity We could change this whole world with a piano  
Add a bass, some guitar, grab a beat and away we go  
I'm just a boy with a one-man show  
No university, no degree, but Lord knows Everybody's talking about exponential growth  
And the stock market crashing in their portfolios  
While I'll be sitting here with a song that I wrote  
Saying: "Love could change the world in a moment, but what do I know?"  
Love can change the world in a moment, but what do I know?  
Love can change the world in a moment I'll paint the picture, let me set the scene  
You know the future's in the hands of you and me  
So let's all get together, we can all be free  
Spread love and understanding, positivity We could change this whole world with a piano  
Add a bass, some guitar, grab a beat and away we go  
I'm just a boy with a one-man show  
No university, no degree, but Lord knows Everybody's talking about exponential growth  
And the stock market crashing in their portfolios  
While I'll be sitting here with a song that I wrote  
Saying: "Love could change the world in a moment, but what do I know?" Love can change the  
world in a moment, but what do I know?  
Love can change the world in a moment, but what do I know?
