

Take Care of You (Nathan Dawe Remix)

Ella Henderson

We used to be giants
When did we stop?
Just say the word, and I'll be yours
You know I never forgot
The hope and the hurt
Has lived inside of me
But there's gold in the dirt
I never took the time to see
But I knew of its worth when you walked beside of me
And my hand fit in yours like a bird could find the breeze
We used to be giants
When did we stop?
Just say the word, and I'll be yours
You know I never forgot
We were the song of the silence
But time catches up
Just say the word, and I'll be yours
You know I never forgot
I knew from the start
You'd be the one to set me free
That day in the park, when the hurt would hide from me
Those eyes used to know me, it's been way too long
You are the moon and the stars, and all they gaze upon
Time won't ever move slowly, what you waiting on?
Yeah, what you waiting on?
We used to be giants
When did we stop?
Just say the word, and I'll be yours
You know I never forgot
We were the song of the silence
But time catches up
Just say the word, and I'll be yours
You know I never forgot
Darlin, just say you will
Will you remember those times
That I have held until tonight
If you say you will
I'll leave it all behind
Don't you remember those times?
We used to be giants
So when did we stop?
Just say the word, and I'll be yours
You know I never forgot
We were the song of the silence
But time catches up
Just say the word, and I'll be yours
You know I never forgot
We used to be giants

Giants
Oh, I still love you though
I still love you though
