

Angel

The Weeknd

[Intro: The Weeknd and Children's Choir]

Ooohh

[Verse 1: The Weeknd]

Angel, oh oh oh oh

Knew you were special from the moment I saw you

I saw you, yeah

I said angel, oh oh oh oh

I feel you're closer every time I call you

I call you

[Pre-Chorus: The Weeknd]

Cause all I see are wings, I can see your wings

But I know what I am and the life I live, yeah, the life I live

And even though I sin, maybe we are born to live

But I know time will tell if we're meant for this

Yeah, if we're meant for this

[Chorus: The Weeknd]

And if we're not

I hope you find somebody

I hope you find somebody

I hope you find somebody

I hope you find somebody to love

Somebody to love

Somebody to love

Yeah, yeah, yeah

[Verse 2: The Weeknd]

Said angel, woah oh oh oh

You'll probably never take me back and I know this

Yeah I know this, aw man

I said angel, woah oh oh oh

I'm so desensitized to feeling these emotions

Yeah, no emotions baby

[Pre-Chorus: The Weeknd]

Cause all I see are wings, I can see your wings

But I know what I am and the life I live, yeah, the life I live

And even though I sin, we all want to live

But I know time will tell if we're meant for this
Yeah if we're meant for this

[Chorus: The Weeknd]
And if we're not
I hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love
Yeah, yeah, yeah

[Bridge: The Weeknd]
And even though we live inside
A dangerously empty life
You always seem to bring the light
You always seem to bring the light
And even though we live inside
A dangerously empty life
You always seem to bring me light
You always seem to bring me light

[Chorus: The Weeknd and Maty Noyes]
I hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love
Yeah, yeah, oh
I hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love
Yeah, yeah, yeah, oh
I hope you find somebody
I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love
Yeah, yeah, yeah, oh

[Outro: The Weeknd and Maty Noyes]
Ooh somebody baby
I hope you find somebody

I hope you find somebody
I hope you find somebody
I hope you find somebody to love
Somebody to love
Somebody to love
Yeah, yeah, yeah
