

# Sweeter

Kim Burrell

Today is another day, new I see  
Lord I'm in your hands, I know you'll come for me  
Times, don't know what to do  
Lord I know you will help me make it through  
Every day is sweeter, sweeter than the day before  
Every day's sweeter, learning how to love you more  
Every day is sweeter, sweeter than the day before  
Every day is sweeter

Waiting for the sun to shine, my joy is coming in the morning light  
You really really know me  
I get to know ya, I know that you're so good for me  
You've been so good to me  
Every day is sweeter, sweeter than the day before  
Every day's sweeter, learning how to love you more  
Every day is sweeter, sweeter than the day before  
Every day is sweeter  
Every day is sweeter, sweeter than me  
Every day's sweeter  
Every day is sweeter, sweeter than the day before  
Every day's sweeter

You're good on the Monday, Tuesday, Wednesday  
Thursday, Friday, Saturday, Sunday  
You're getting sweeter every day makes me want add another day to my week  
Cause you're so sweet  
You're good on the Monday, Tuesday, Wednesday  
Thursday, Friday, Saturday, Sunday  
You're getting sweeter every day  
You're good on the Monday, Tuesday, Wednesday  
Thursday, Friday, Saturday, Sunday  
You're getting sweeter every day  
Oh, you're good to me  
On Monday, Tuesday, Wednesday  
Thursday, Friday, Saturday, Sunday

Every day sweet, you're getting sweeter every day
