Everything Zen

Bush

There must be something we can eat

Maybe find another lover

Should I fly to Los Angeles

Find my asshole brotherMickey Mouse has grown up a cow

Dave's on sale again

We kissy kiss in the rear view

We're so bored

You're to blameTry to see it once my way

Everything zen

Everything zen

I don't think so

Raindogs howl for the century

A million dollars a steak

As you search for your demi-god

And you fake with a saint

There's no sex in your violence

There's no sex in your violenceTry to see it once my way

Everything zen

Everything zen

I don't think so

Everything zen

Everything zenI don't believe that Elvis is dead

I don't believe that Elvis is dead

I don't believe that Elvis is, Elvis is

There's no sex in your violence

There's no sex in your violence

There's no sex in your violence

There's no sex in your violenceTry to see it once my way

Everything zen

Everything zen

I don't think so Try to see it once my way

Everything zen

Everything zen

I don't think soZen

Zen

I don't think so

I don't think so

I don't think so

Zen
