

# Poison

## Cavetown

Ease your breath, untie my hands  
Release my neck, If you can  
You don't have to be like that

Don't be afraid, There's nothing strange  
It's not a trap

But there's cars coming closer  
And I think they're trying to run me over  
Poisoning my food  
And putting drugs inside my water  
There's ghosts in my house  
And I can taste blood in my mouth

Don't be afraid, I'm not insane  
Just irrational, but isn't that the same?
