

# Alien

## Britney Spears

There was a time I was one of a kind  
Lost in the world, out of me, myself and I  
Was lonely then, like an alien  
I tried but I never figured it out  
Why I always felt like a stranger in a crowd  
Oh, that was then, like an alien But the stars in the sky look like home, take me home  
And the light in your eyes lets me know I'm not alone Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Crossed through the universe to get where you are  
Travel the night, riding on a shooting star  
Was lonely then, like an alien  
Had to get used to the world I was on  
While yet still unsure if I knew where I belong  
Oh, that was then, like an alien But the stars in the sky look like home, take me home  
And the light in your eyes lets me know I'm not alone Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone But the stars in the sky look like home, take me home  
And the light in your eyes lets me know I'm not alone Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone  
Not alone, not alone, not alone
