

Always in a Nightmare

Au5 & Nytrix

[Verse]

Where do we run
When time runs out?
Where do I go
When you're not there?
Why can't we?live
Inside?the dream?
Holding on
To?just a feeling

[Hook]

Without you
I'm always in?a nightmare, nightmare
Without you
My heart won't beat again
Without you
I'm always in a nightmare, nightmare
Without you
The fear will never end
Without you

Without you

[Drop]

I'm al~al~al...
My heart won't beat again
Without you
I'm al~al~al...
Nightmare, nightmare
Without you
(Without you)

[Hook]

Without you
I'm always in a nightmare, nightmare
Without you
My heart won't beat again
Without you
I'm always in a nightmare, nightmare
Without you

The fear will never end

[Bridge]

Every night
I'm trapped in feel
Can't escape
Lost in the darkness
Where are you?
We're going to meet
Bring me back
To all my dreamin'
A feeling, a feelin', a feelin', a feelin', a feelin', a feelin'

[Hook]

Without you
I'm always in a nightmare, nightmare
Without you
My heart won't beat again
Without you
I'm always in a nightmare, nightmare
Without you
The fear will never end

Without you

[Drop]

I'm al~al~al...
My heart won't beat again
Without you
I'm al~al~al...
Nightmare, nightmare
Without you
(Without you)
(Without you)
(Without you)

[Hook]

Without you
I'm always in a nightmare, nightmare
Without you
My heart won't beat again
Without you
