

# Don't Waste My Time

## Little Big Town

I've been here before  
It only made me cry  
I felt so sure  
I never questioned why Till I woke up alone  
That's why I have to ask you  
Baby, what's behind your kiss?  
I need to know your heart's in this I'm waiting for the kind of love  
That is strong enough  
To walk through anything  
So don't waste my time  
(Don't waste my time)  
I only wanna play for keeps  
Wanna fall in deep  
If you don't just say goodbye  
Don't waste my time The words you say  
Are what I wanna hear  
Promises you make  
Are music to my ears Is it the heat  
Of the moment talking?  
Promises come easily  
Give me something to believe I'm waiting for the kind of love  
That is strong enough  
To walk through anything  
So don't waste my time  
(Don't waste my time)  
I only wanna play for keeps  
Wanna fall in deep  
If you don't just say goodbye  
Don't waste my time  
Time, time, time  
(Time, time, time) I'm waiting for the kind of love  
That is strong enough  
To walk through anything  
So don't waste my time  
(Don't waste my time) I only wanna play for keeps  
Wanna fall in deep  
If you don't just say goodbye  
Don't waste my time I'm waiting for the kind of love  
That is strong enough  
To walk through anything  
So don't waste my time  
(Don't waste my time) I only wanna play for keeps

Wanna fall in deep  
If you don't just say goodbye  
Don't waste my time Yeah, yeah  
Don't waste my time
