

Lighthouse

Nicky Romero

[Verse 1]

First light breaks in the morning sky
Chasing the sunrise
We'll fly across the horizon
Sail away

[Pre-Chorus 1]

We drifted out to nowhere
Set off with hopes and dreams
And if you're lost in darkness
Turn to me

[Chorus]

Keep breathing
I can be your lighthouse
If you need it
I can be your lighthouse
Keep breathing
I can be your lighthouse
If you need it
I can be your lighthouse

[Post-Chorus]

I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse

[Verse 2]

Let's cruise, time to discover how
To sway with the waves we found
Gone with the wind, so far away

[Pre-Chorus 2]

When rock are underneath us
Washed up in stormy seas
Don't let them bring you worry
Turn to me

[Chorus]

Keep breathing
I can be your lighthouse
If you need it
I can be your lighthouse
Keep breathing
I can be your lighthouse
If you need it
I can be your lighthouse

[Post-Chorus]
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
