I can't be your baby daddy leave them kids on your dome
It's like 6 in the morn'

She get to suing on that jimmy, slurp that st off the(?)
I touch down in the py, do my dance in the zone
Light the weed in the bong Smoke like sativa (?)
Gotta go to sleep with the chrome
Waking up in the py like Baby Boy and Taraji
Fk her like Lucious and Cookie
Got the juiciest (nookie)
Don't wear no Juicy Couture
Knock down the walls like construction
Bh I'm abusing the core
I spit the kids on the floor
What are the gonna do with the bore "Yeah"
Fk 'em then pass 'em around 'cause I'm through with the whore Here go Wayne, uh, uh "Yeah"
Chris, I got this

Bh, it goes Wayne's World
Party time
Drugs and girls
Sorry mom
Middle finger to Father Time
New Orleans na turn up like Mardi Gras
Put your pride aside
Put your draws aside
And Imma turn up in that py like water slide
She gone' turn up on this dick after she snort a line
And now I got this bh screaming free Carter 5
I got some freaks in the living room getting it on
And they all got baby daddies, babies sitting at home
They left they ring, they panties, and they feelings at home
I'm on that lean and them Xannies and I'm feeling so calm
I'm on that lean and them Xannies and I'm feeling dozed off
She on that Molly and the Addies and she throw like a drone
The house party is my addy and my shoes off at the door
Bunch of bs be embarrassed like they got extra toes
Leave yo phone with security, don't wear extra clothes
They got coke on they nose, looking like eskimos
We get loud, we get wicked everywhere that we go
We get down, we just kick it (?)
We the wild, we the sickest, ain't got no antidote
We the crowd, we them ns, party animals
Party animals, We gone leave with some hoes
We don't leave 'til it's closed
We gone chill 'til we froze, hey We just chilling, spilling liquor with the bs
Pitchers and it's all for ya na

Life of the party "Life of the party" C'mon, Got it popping with the bs, got it going
