

# Thank You

## Estelle

Sometimes I wonder do you  
Even recognize the woman  
That's standing in front of you Listen, sometimes I wonder do you

...

Even care or realize why I took care of you

...

'Cuz you're my heart  
You are my soul You're my other half  
Without you I cannot be whole baby  
So far apart  
I just don't know  
What drove us apart in the first place  
Now I know baby  
Why  
These tears I cry sure won't be the last  
...They will not be the last no

...

'Cuz this pain inside never seems to pass  
...It never seems to pass me by

...

So I thank you  
Said I thank you  
Yes I thank you For making me a woman  
Sometimes I wonder could she be  
More of a woman to you than you are a man to me

...

Listen, sometime I wonder . why me

...

I'm here miserable while you're out living your fantasies

And didn't care

'Cuz you're my heart You are my soul  
You're my other half  
Without you I cannot be whole baby  
So far apart I just don't know  
What drove us apart in the first place  
Now I know baby  
Why These tears I cry sure won't be the last  
They will not be the last . no

...

Cuz' this pain inside which never seems to pass

...

It never seems to pass me by So I thank you

Said I thank you  
Yes I thank you  
For making me a woman One thing I learned in life  
We all gotta be ready to sacrifice to survive  
...  
I hope she's happy 'Cuz you're the chapter that I'll be closing  
Hope you're happy  
'Cuz once my door close it won't be open  
These tears I cry sure won't be the last  
...  
They will not be the last no  
This pain inside which never seems to pass  
...  
It never seems to pass me by  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman  
So I thank you  
Said I thank you  
Yes I thank you  
For making me a woman
