

You Are Mine

Third Day

It doesn't take much for my heart to break
You have done it for what seems a millionth time
Whenever I hear of Your saving grace
And how You gave Your life in exchange for mine

Sometimes I wonder why You even love me
And why You ever chose to call me child
And I remember just by Your sacrifice
I can say that I am Yours and You are mine

It doesn't take much for me to shed a tear
You have done so many things to make me cry
Whenever I think all that I've done wrong
And everything You have done to make it right

Sometimes I wonder why You even love me
And why You ever chose to call me child
And I remember just by Your sacrifice
I can say that I am Yours and You are mine
I can say that I am Yours and You are mine

You are mine, You are mine

You are mine, You are mine

It doesn't take much for my heart to break

You have done it for what seems a millionth time

Sometimes I wonder why You even love me

And why You ever chose to call me child

Sometimes I wonder why You even love me

And why You ever chose to call me child

And I remember, it's by Your sacrifice

I can say that I am Yours and You are mine

I can say that I am Yours and You are mine

I can say that I am Yours and You are mine

And You are mine
