

One Day In Your Life

Anastacia

I know
That's just the way it goes
And you ain't right
For sure
You turned your back on love
For the last time
It won't take much longer now
Time makes me stronger, well
There's nothing more to say
One day in your life
Said love would remind you
How could you leave it all behind?
One day in your life
It's gonna find you
With the tears you let me cry
And, baby, I'm stronger than before
You gotta lay it on the line
Maybe one day in your life My love
Did you think I'd break down
And cry?
This thing we had
It meant the world to me
Guess I was blind
It won't take much longer now
See time makes me stronger well
And I know you'll be coming 'round some day
One day in your life
Said love will remind you
How could you leave it all behind?
Yeah
One day in your life
It's gonna find you
With the tears you let me cry
And, baby, I'm stronger than before
You gotta lay it on the line
Maybe one day in your life You call me in the midnight hour
With your velvet lines
So many sleepless nights, I wonder
Is it time to say goodbye?
Oooh, yeah One day in your life
Said love will remind you
Baby

How could you leave it all behind?
Could you leave it all behind?
Yeah
One day in your life
It's gonna find you
With the tears you let me cry
And, baby, I'm stronger than before
You gotta lay it on the line
Maybe one day in your lifeOooooooooone day
One day in your life
Said love will remind you
Yeah, yeah, yeah
How could you leave it all behind?
Oh oh oh yeah
One day in your life
It's gonna find you
With the tears you let me cry
And, baby, I'm stronger than before
You gotta lay it on the line
Maybe one day in your life
