## **Fade Into Darkness**

## **Avicii**

Looking up There's always sky Rest your headI'll take you high We won't fade into darkness Won't let you fade into darkness Why worry now? You'll be safe Hold my hand Just in case And we won't fade into darkness Fade into darkness No, we won't fade into darkness Fade into darkness And we won't fade into darkness Fade into darkness No, we won't fade into darkness Fade into darkness This world can seem Cold and grey But you and I Are here today And we won't fade into darkness No, we won't fade into darkness Nothing to fear But fear itself We'll be ok Just keep the faith And we won't fade into darkness Fade into darkness No, we won't fade into darkness Fade into darkness Whoah Whoah, fade into darkness Whoah Whoah, fade into darkness Whoah And we won't fade into darkness (whoah) Fade into darkness (whoah) No, we won't fade into darkness (whoah) Fade into darkness (whoah)
