

# Endless Love

Luther Vandross & Mariah Carey

My love  
There's only you in my life  
The only thing that's right  
Oh yeah  
My first love (yeah) You're every breath that I take  
You're every step I make  
(Oh)  
And I (And I)  
I want to share  
All my love with you, hey yeah  
No one else will do  
And your eyes (your eyes, your eyes)  
They tell me how much you care  
Oh, yes  
You will always be  
My endless love  
Oh yeah  
Two hearts  
Two hearts that beat as one  
Our lives have just begun And forever (forever)  
I'll hold you close in my arms  
I can't resist your charms  
No no no no (no no no)  
And I  
(And I)  
I'd be a fool  
For you, I'm sure  
You know I don't mind (no, you know I don't mind)  
'Cause baby you (baby, baby, baby, baby)  
You mean the world to me, yeah  
I know I've found in you  
My endless love  
Yeah (yeah)  
Do do, do dooo, do do do  
Whoa And I  
I'd play the fool For you, (for you baby) I'm sure  
That you know I don't mind (you know I don't mind)  
Oh, yes  
You'd be the only one  
'Cause no-one can't deny  
This love I have inside  
And I'll give it all to you

My love (my love, my love)  
My my my  
My endless love  
My love
