Foamposites (Wale!), the LeBrons, I'm fuckin' wit'
the Spikes
Wale
Yeah, uh

My chick black and white, she ain't no dime, that

I know I'm reppin' this, shoot and I don't ever miss
The coupe I'm in is rented, I ain't wit' all that
commitment shit
P-R-Ps is proper, couple Gs when I'm shoppin'
My girls and my SBs, got a thing for pink boxes
Shout out Frankie the Butcher, shout out Mishka in
Brooklyn
That's some nigga from 10.deep ATL, I'm wit' the
cooker
I ain't e'en tryin', fool, ho, I ball like private school
You bammies like Hyperstrikes, your wifey sleep
outside of you
And Tito's my niggas, you know just we just need
more shit and
It's ironic how I drop some dough when I got them
Homer Simpsons, look
Pine-green Foams, they may never see the store
Got LeBron Entourages like Maverick and Richie Paul
Bitch, I ball, ho, you lame, look at my Laneys,
switchin' lanes
Look at my 9s, look at my Blazers, look at my 4s, cut
wit' laser

Look at my whore, that is your lady, look at my flo',
 makin' y'all crazy
Makin' y'all sick, y'all cannot tame me, Lexus drive
 me, Maybach pay me
 Salute

My Jordans high-top, snapback fitted cap (Woo!)
My Jordans high-top, snapback fitted cap (Woo!)
 The Rolls-Royce (Huh!), it's all white (Huh!)
Foamposites, the LeBrons, I'm fuckin' wit' the Spikes
 Meek Mill

 Yo
I said I'm swaggin' out in my Cool Greys, no LL, but
 these cool Js
And my wrist froze, but I'm cool sha', like a bald
 head, I'm too paid
I'm too blazed, and I'm too high, George Kush, the
 whole crew high
Wrong move and that tool fly, better Kon that ass
 like Wu-sai

 It's MMG, MOB, young nigga, I been OG
Walk around wit' like 10 on me, that 5-7, that fen' on
 me

Don't grin on me wit' them long stares, you ain't God
 unless no fear

 Big money, all the hoes, HD, I came so clear
We jeweled out and we racked up, Phantom big
 when it back up
Big Boy, look like a Mack truck, shooters ride wit'
 that Mac tucked

I'm a Bad Boy, bitch, ask Puff, Simpson-Rodgers, my
 last cup

On this shit, I can't stand up, country Ks as I man up
 This Rozay, Wale, Gunplay, and that nigga Pill
In Brazil, and this shit is real, got bad hoes and that
 whippet pill

One week and we get the deal, one day and I fucked
 the bitch

 My Levis, they 501, my snapback is hella bent
My Jordans high-top, snapback fitted cap (Woo!)
My Jordans high-top, snapback fitted cap (Woo!)
 The Rolls-Royce (Huh!), it's all white (Huh!)

Foamposites, the LeBrons, I'm fuckin' wit' the Spikes
Fresh-ass nigga, no wonder why them hoes be open

How you figga? You fuckin' wit' me? I hope he jokin'
I'm witcha girl, you home alone, bitch you Macauley

 I'm oviedosin', ay, homie, Kobe smokin'
Then put my ashes on you niggas, bet you gon' need

Fuck hoes wit' no emotion, fade away like Kobe
postin'
Out in Sweden, like ain't shit that you can't tell us
Lord, forgive me, as a kid, I used to look at niggas
jealous
'Cause uh, they had them Js, and my mama wouldn't
cop 'em
Can you blame her? Hundred dollars for them bitches
wann't a option
Now we livin' much better, nigga, pay whatever
Rock them bitches once then forgot about 'em
forever
My kicks like my chick, I don't need to know the
numbers
You just need to know I'm comin', I'll kill you niggas
this summer
Cole
My Jordans high-top, snapback fitted cap
My Jordans high-top, snapback fitted cap
The Rolls-Royce, it's all white
Foamposites, the LeBrons, I'm fuckin' wit' the Spikes
My Jordans high-top, snapback fitted cap (Woo!)
