

# Duck Duck Goose

cupcakKe

I thought I came but I peed on the dick  
Pubic hair got inches, that's weave on the dick  
Pussy like a tree, it got leaves on the shit  
Bang bang this pussy, Chief Keef with the dick  
Climbing on that dick, need a 10 feet ladder  
I love the D, that's my favorite letter  
My nudes in your phone, takin' up your data  
My cakes got fatter by using cum as the batter  
Look down to your dick and tell him I won't disappoint it  
Pussy on punishment if she miss a dick appointment  
Sloppy topky for papi, leave sloppy Joe shook  
I only call you Captain, 'cause your dick is off the hook  
I can make your dick stand up (Are you ready?)  
Like Statue of Liberty once we fuck (So hard)  
Tap the head of the dick, duck duck duck goose  
Head of the dick, duck duck duck goose  
Get that dick up and runnin' when he fuck this cooch  
Covered in all my cum the dick be lookin' like a goose  
Head of the dick, duck duck duck goose  
Head of the dick, duck duck duck goose  
Get that dick up and runnin' when he fuck this cooch  
Covered in all my cum the dick be lookin' like a goose  
Twat so wet, you could take a cruise on it  
Suckin' yo neck till I leave a bruise on it  
Let you eat the pussy just don't use a spoon on it  
Put it in a box like you 'bout to move on it  
This that submarine pussy, Mr. Clean pussy  
This that I'm bout to fuck you longer than the limousine pussy  
High self esteem pussy, it's a dream pussy  
If you broke, then the pussy acting funny like a meme pussy  
Easy-Bake Oven, and this pussy so similar  
Touchin' yo head but ain't checkin' the temperature  
Got the dick on lock like a motherfuckin' prisoner  
Nut in my pussy hair, that's deep conditioner  
I can make your dick stand up (Are you ready?)  
Like Statue of Liberty once we fuck (So hard)  
Tap the head of the dick, duck duck duck goose  
Head of the dick, duck duck duck goose  
Get that dick up and runnin' when he fuck this cooch  
Covered in all my cum the dick be lookin' like a goose  
Head of the dick, duck duck duck goose  
Head of the dick, duck duck duck goose  
Get that dick up and runnin' when he fuck this cooch  
Covered in all my cum the dick be lookin' like a goose  
Cut the dick off, took it home with me

'Cause any dick that long, it belong with me  
This pussy iconic, get moan with me  
Put your finger in the hole, come bowl with me  
Let me brush your pubic hairs while I suck on your cock  
Get all the cum out your dick, make it go out of stock  
Turn it into a Yeezy shirt when you rip off my top  
My box already small, it don't need to be cropped  
Turn double dutch with yo' balls while I'm jumpin' on your dick  
Tell your grandma sew my pussy, since you split open my clit  
Coochie guaranteed to put you to sleep so damn soon  
Riding on that dick I'm reading Goodnight Moon  
Vending machine, vending machine  
Can't eat it until there's money between, money between  
This pussy is a vending machine, vending machine  
Can't eat it until there's money between, money between Vending machine, vending machine  
(oh yeah)  
Vending machine, vending machine (oh yeah)  
Can't eat it until there's money between, money between  
This pussy is a vending machine, vending machine
