

Fingerprints

Katy Perry

[Verse 1]

Voted most likely to end up on the back of a milk box drink
Looks like I'm letting 'em down
'Cause \$7.75 isn't worth an hour of my hard working time
When you can't afford half the shit they advertise
Oh, I'm worth more than a X
More than a toe-tagged generation full of regrets
Oh, I won't settle, no oh
Oh, I can't settle

[Pre Chorus]

I wanna break the mold, wanna break the stereotype
Fist in the air, I'm not going down without a fight

[Chorus]

It's my life
And I'm not sitting on the sidelines watching
It pass me by
I'm leaving you my legacy
I gotta make my mark, I gotta run it hard
I want you to remember me
I'm leaving my fingerprints
I'm leaving my fingerprints
I'm leaving my fingerprints on you

[Verse 2]

Representing you and me
Don't you wanna go down in history?
Rather than end up begging on the streets
Trading under table favors for a place to sleep
'Cause I'm worth more than this
So stop writing prescriptions for more Ritalin
I can focus my attention

[Pre Chorus]

I wanna break the mold, wanna break the stereotype
Fist in the air, I'm not going down without a fight

[Chorus]

It's my life

And I'm not sitting on the sidelines watching
It pass me by
I'm leaving you my legacy
I gotta make my mark, I gotta run it hard
I want you to remember me
I'm leaving my fingerprints
I'm leaving my fingerprints

[Bridge]
Don't give up
Don't give in
Build your house on the rock
Oh, not in the sand, in the sand, in the sand, in the sand

[Chorus]
It's my life
And I'm not sitting on the sidelines watching
It pass me by
I'm leaving you my legacy
I gotta make my mark, I gotta run it hard
I want you to remember me
It's my life
And I'm not sitting on the sidelines watching
It pass me by
I'm leaving you my legacy
I gotta make my mark, I gotta run it hard
I want you to remember me

[Outro]
'Cause I'm leaving my fingerprints
I'm leaving my fingerprints
I-I'm leaving my fingerprints in the end
