

# Need a Little Time off for Bad Behavior

David Allan Coe

I need a little time off for bad behavior  
The devil in me done been asleep too long  
I need a little time off for bad behavior  
It looks like I've been too good for too long David Says: Now being a songwriter, I wanna share  
this with you see. I think this is one of the coolest lines I ever wrote in my life. So I wanted to  
make sure you got it see. It says; I'm up at dawn at the crack of dawn  
I've been working like a regular dog  
To keep my woman and the lights and the water and the phone turned on  
I've been saying yes sir all day at work  
I've been saying yes ma'am at home  
I've been storing up the fuck you's  
Keepin' em under my tounge  
I need a little time off for bad behavior  
The devil in me done been asleep too long  
I need a little time off for bad behavior  
It looks like I've been too good for too long I've had this number on my mind awhile  
I've been fighting off the urge to call  
Pretty little stawberry blonde  
With the southern draw  
Some good 'ol boys called from Alambama  
Said the fish have been missing me  
And I need to renew my friendship with Jim Beam I need a little time off for bad behavior  
The devil in me done been asleep too long  
I need a little time off for bad behavior  
It looks like I've been too good for too long  
I need a little time off for bad behavior  
The devil in me done been asleep too long  
I need a little time off for bad behavior  
It looks like I've been too good for too long I need a little time off
