

# I Just Want You

Ozzy Osbourne

There are no unlockable doors, there are no unwindable wars  
There are no unrightable wrongs or unsingable songs  
There are no unbeatable odds, there are no believable Gods  
There are no unnameable names, shall I say it again, yeah? There are no impossible dreams,  
there are no invisible seams  
Each night when the day is through I don't ask much  
I just want you  
I just want you There are no uncriminals crimes there are no unrhymable rhymes  
There are no identical twins or forgivable sins  
There are no incurable ills there are no unkillable thrills  
One thing and you know it's true  
I don't ask much  
I just want you  
I just want you  
I just want you  
I just want you I'm sick and tired of begin' sick and tired  
I used to go to bed so high and wired, yeah  
Yeah, yeah, yeah  
I think I'll buy myself some plastic water  
I guess I should have married Lennon's daughter, yeah  
Yeah, yeah, yeah There are no unachievable goals there are no unsaveable souls  
No legitimate Kings or Queens do you know what I mean, yeah  
There are no indisputable truths and there ain't no fountain of youth  
Each night when the day is through  
I don't ask much  
I just want you  
I just want you  
I just want you  
I just want you  
I just want you  
I just want you  
I just want you  
Yeah, yeah, yeah  
I just want you I just want you  
Hey, yeah  
I just want you  
Yeah, yeah, yeah  
I just want you, hey  
I just want you  
I just want you  
I just want you
