

I Don't Wanna Know

New Found Glory

I don't wanna know
I don't wanna know Your eyes were covered in sunglasses
when they first met mine
I sat there and stared at you
you didn't seem to mind
The awkward ways we meet First comes heavy breathing
staring at the ceiling
What will happen next?
I don't wanna know
I don't wanna know
I never cared how I dressed before
but I cared that night
Anticipation ran through my bones
and my clothes never fit right
I can't wait til we meet again First comes heavy breathing
staring at the ceiling
What will happen next?
I don't wanna know
I don't wanna know
Framed pictures start to be put on the walls
Constant visits while im out on the road
It's hard to leave sometimes
but you know where I lay my head at night
First comes heavy breathing
staring at the ceiling
What will happen next?
I don't wanna know
I don't wanna know
