

No More Lonely Nights

Paul McCartney

Songwriters: Mccartney, Paul;

I can wait another day until I call you
You only got my heart on a string
And everything a flutter

But another lonely night might take forever
We've only got each other to blame
It's all the same to me love
'Cause, I know what I feel to be right

No more lonely nights
No more lonely nights
You're my guiding light
Day or night, I'm always there

May I never miss the thrill of being near you
And if it takes a couple of years
To turn your tears to laughter
I will do what I feel to be right

No more lonely nights
Never be another
No more lonely nights
You're my guiding light
Day or night, I'm always there

And I won't go away until you tell me so
No, I'll never go away
Yes, I know what I feel to be right

No more lonely nights
Never be another
No more lonely nights
You're my guiding light
Day or night, I'm always there

And I won't go away until you tell me so
No, I'll never go away
I won't go away until you tell me so

No, I'll never go away
No more lonely nights
