

# Give Me the Night (Edit)

George Benson

Whenever dark has fallen  
You know the spirit of the party  
Starts to come alive Until the day is dawning  
You can throw out all your blues  
And hit the city lights 'Cause there's music in the air  
And lots of lovin' everywhere  
So give me the night, give me the night You need the evening action  
A place to dine, a glass of wine  
A little late romance It's a chain reaction  
You'll see the people of the world  
Coming out to dance  
'Cause there's music in the air  
And lots of lovin' everywhere  
So give me the night, give me the night So come on out tonight  
And we'll lead the others  
On a ride through paradise And if you feel all right  
Then we can be lovers 'cause I see  
That starlight look in your eyes  
Don't you know we can fly? Just give me the night  
Give me the night 'Cause there's music in the air  
And lots of lovin' everywhere  
So give me the night, give me the night So come on out tonight  
And we'll lead the others  
On a ride through paradise  
And if you feel all right  
Then we can be lovers 'cause I see  
That starlight look in your eyes  
Don't you know we can fly? And if we stay together  
We'll feel the rhythm of the evening  
Taking us up high Never mind the weather  
We'll be dancing in the street  
Until the morning light 'Cause there's music in the air  
And lots of lovin' everywhere  
So give me the night  
Give me the night  
Give me the night  
Give me the night...
