

Don't Throw out My Legos

AJR

[Verse 1: Jack Met]

My new address is hard to remember
So I wrote it on the back of my hand
'Cause I leave the nest this coming December
To make it as a grown man
I'm 'bout to lose my only defenders
I'm packing up whatever I can

[Pre-Chorus: All]

Been waiting for today, but
All I can think to say is

[Chorus: Jack Met with Ryan Met]

Oh no, don't throw out my Legos
What if I can't let go?
What if I come back home, back home?
Oh no, don't throw out my Legos
What if I can't let go?
What if I come back home, back home?

[Post-Chorus: Jack Met]

Can we keep my Legos at home?
'Cause I wanna move out
I don't wanna move on

[Verse 2: Jack Met]

People want shirts with the band name on it
And suddenly, we ain't so bad
Saved up enough to rent an apartment
Far away from mom and dad
My Christmas card looks like a mugshot
'Cause suddenly I'm getting sad

[Pre-Chorus: All]

Been waiting for today, but
All I can think to say is

[Chorus: Jack Met with Ryan Met]

Oh no, don't throw out my Legos
What if I can't let go?

What if I come back home, back home?
Oh no, don't throw out my Legos
What if I can't let go?
What if I come back home, back home?

[Post-Chorus: Jack Met]
Can we keep my Legos at home?
'Cause I wanna move out
I don't wanna move on
Can we keep my Legos at home?
'Cause I wanna move out
I don't wanna move on

[Bridge: Jack Met]
It's cold out there, you're standing there
You're trying to face your greatest fear
You're shivering, you're trembling
It's warm in here, so come back in

[Chorus: Jack Met with Ryan Met]
Oh no, don't throw out my Legos
What if I can't let go?
What if I come back home, back home?
Oh no, don't throw out my Legos
What if I can't let go?
What if I come back home, back home?
Oh no, don't throw out my Legos
What if I can't let go?
What if I come back home, back home?
Oh no, I'll come by when I'm grown
It won't be the same though
I can't even go home, go home

[Outro: Jack Met]
Can we keep my Legos at home?
'Cause I wanna move out
I don't wanna move on
