

# You Don't Know Jack

Luke Bryan

[Verse 1]

He asked me for a dollar, I said "Go get a job"  
I turned up my collar and started walking off  
He said "I don't blame you, I know what you think  
I'd just spend your money, to buy another drink"

[Chorus]

But you don't know Jack  
Double shot, eighty proof, on the rocks  
Until you've lost it all  
And you can't go back  
To your life, and your kids, and your ex-wife  
With just a telephone call  
If you think it's just a bottle  
In an old brown paper sack  
You don't know Jack

[Verse 2]

He showed me a picture, of two little girls  
Wearing Easter dresses, hair done up in curls  
He said "God bless their mamma  
She said I couldn't stay  
And buddy if you're wondering  
How could I throw it all away"

[Chorus]

You don't know Jack  
Double shot, eighty proof, on the rocks  
Until you've lost it all  
And you can't go back  
To your life, and your kids, and your ex-wife  
With just a telephone call  
If you think it's just a bottle  
In an old brown paper sack  
You don't know Jack

[Verse 3]

If you never felt the fire  
Running through your veins  
If you've never seen the devil

Face to face

[Chorus]

You don't know Jack  
Double shot, eighty proof, on the rocks  
Until you've lost it all  
So brother just be glad, and tonight  
Hold your kids, kiss your wife  
And when you talk to God  
Count up all your blessings  
And thank the good Lord that  
You don't know Jack  
You don't know Jack
