

Crush On You

Nero

How did you know cause I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush on you

How did you know cause I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush, crush, crush, crush

How did you know cause I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush on you

How did you know cause I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush, crush, crush, crush

How did you
You found out
You found out
I've got a crush on you

How did you
How did you

I've got a crush, crush, crush, crush

How did you know cause I never told

You found out

I've got a crush on you

No more charades

My heart's been displayed

You found out

I've got a crush on you

I've got a crush on you

I've got a crush on you

You must have heard it

From my best friend

She's always talkin' when she should be listenin'

Can't keep a secret

To save her life

But still I trusted her with all I felt inside

I never knew, a rumor could spread so fast

Cause now the word is out

All over town

That I'm longing for you

How did you

You found out

You found out

I've got a crush on you

How did you

How did you

I've got a crush, crush, crush, crush

How did you

You found out

You found out

How did you know cause I never told

You found out

I've got a crush on you

No more charades

My heart's been displayed

You found out

I've got a crush on you
