

Who I'm Gonna Be

Coco Jones

Oh, oh, oh...It's about time I figure out where I'm gonna go
If you don't like what I decide, you gotta let it go
I don't wanna be stuck in between, just wasting my time
So give me, give me, give me, give me some room to breathe, yeah Who I'm gonna be isn't up
to you, it's up to me
Where I'm gonna go I don't really know, it's a mystery
If I don't do it my way, I'll lose myself completely
Yeah, who I'm gonna be isn't up to you, it's up to me Go ahead and try to box me in but that
would be a shame
If you won't see what's underneath, I gotta walk away
Baby there's more to who I am outside of your lights
So give me, give me, give me, give me some room to breathe, yeah
Who I'm gonna be isn't up to you, it's up to me
Where I'm gonna go I don't really know, it's a mystery
If I don't do it my way, I'll lose myself completely
Yeah, who I'm gonna be isn't up to you, it's up to me, yeah, yeah, yeah Gotta be me, gotta be free
Tell me, are you listening?
Gotta be me, gotta be free
Oh it doesn't mean anything Gotta be me, gotta be free
Tell me, are you listening?
Though I'm hearing what you say
I gotta do it my own way Who I'm gonna be isn't up to you, it's up to me
Where I'm gonna go I don't really know, it's a mystery
If I don't do it my way, I'll lose myself completely
Yeah, who I'm gonna be isn't up to you, it's up to me
Who I'm gonna be isn't up to you, it's up to me
Where I'm gonna go I don't really know, it's a mystery
If I don't do it my way, I'll lose myself completely
Yeah, who I'm gonna be isn't up to you, it's up to me
