

# Motivation

## Normani

Imma break you off, let me be your motivation

To stay and give it tonight

And, baby, turn around, let me give you innovation

Hey, 'cause I do it so right

You got that good good, baby, don't you?

Got that good good, baby, don't you?

But you leavin' solo

Ain't regular, that ain't regular

I ain't gon' keep, keep fightin' for it

Ain't gon' keep, keep fightin' for it

'Cause you know this thing here

Ain't regular, that ain't regular

Fallin' into the bed

Why would we ever do somethin' instead of

Fallin' into the bed right now?

Imma break you off, let me be your motivation

To stay and give it tonight

And baby, turn around, let me give you innovation

Hey, 'cause I do it so right

Think about it, oh, think about it

Think about it, oh, take a look at me now

Hey, a little motivation, alright

You got a bad one, baby, don't you?

Got a bad one, baby, don't you?

And we both know there's no

One better boy, no one better boy

Too late, won't make it, Imma tell 'em

Get you naked but I won't tell 'em

'Cause you know that there's no

One better boy, no one better boy

Fallin' into the bed

Why would we ever do somethin' instead of

Fallin' into the bed right now

(Eh, right now now)

Imma break you off, let me be your motivation

To stay and give it tonight (and give it tonight)

And baby, turn around, let me give you innovation

Hey, 'cause I do it so right

Think about it, oh, think about it

Think about it, oh, take a look at me now

Hey, a little motivation, alright

Hey

Oh oh oh oh oh oh

A little motivation (a little motivation)

Imma break you off, let me be your motivation

To stay and give it tonight

And baby, turn around, let me give you innovation

Hey, 'cause I do it so right

Think about it, oh, think about it

Think about it, oh, take a look at me now

Hey, a little motivation, alright

Oh oh oh oh oh oh

Oh oh oh oh oh oh
