

Teach Me Tonight

[Aretha Franklin](#)

Teach me tonight
Did you see that I've got a lot to learn?
Well don't think I'm trying not to learn
Since this is the perfect spot to learn
Teach me tonight! Starting with the ABC of it
Getting roll right down to the XYZ of it
Help me solve the mystery of it
Teach me tonight!
The sky's a blackboard high above you
If a shooting star goes by
I'll use that star, to write I love you
A thousand times across the sky One thing isn't very clear my love,
Should the teacher stand so near my love?
Graduation's almost here my love
Yeah, yeah teach me tonight
One thing isn't very clear my love
Should the teacher stand so near my love
Graduation's almost here my love
Yeah teach me tonight!
