

A Heart Needs a Home

Richard Thompson

I know the way
that i feel about you
i'm never going to run away
i'm never going to run away
never knew the way
when i lived without you
i'm never going to run away
i'm never going to run away
I came to you when
no one could hear me
i'm sick and weary
of being alone
empty streets and
hungry faces
the world's no place when
you're on your own
a heart needs a home
Some people say
that i should forget you
i'm never going to be a fool
i'm never going to be a fool
a better life, they say
if i'd never met you
i'm never going to be a fool
i'm never going to be a fool
Tongues talk fire and
eyes cry rivers
indian givers
hearts of stone
paper ships and
painted faces
the world's no place when
you're on your own
a heart needs a home
