Unstoppable

AJ Mitchell

HeyRide or die, let it runYou the gun, suicide
Fantasy, come alive
Enemies, step asideWhere you been, all my life?
You're the wrong, you're the right
Gettin' wild, you make me crazy
Got me sayingThings I'd never say, I'd die for you
You'll get away, you'll get away
You'll get away, I can't get away
Momma always said don't fall in love with girls like you
But you hit me like a freight train
Got me breakin' all the rules (and I don't even care)
Girl you knocked me down like a domino
Girl you so unstoppable
I can't keep my hands away
UnstoppableGirl you're unstoppable (unstoppable)
Girl you're unstoppable (unstoppable)
Unstoppable
Girl you so unstoppablePlay with fire, never learn
Take a bite, let it burn
Feel the love, feel the pain
Kill the sun, make it rain
Girl you bad for my health, yeah
I don't need no one else, yeah
No it ain't right or wrong if it's what I want
'Cause you got me sayingThings I'd never say (alright), I'd die for you
You'll get away (away), you'll get away
You'll get away, I can't get awayMomma always said don't fall in love with girls like you
But you hit me like a freight train
Got me breakin' all the rules (you got me breakin' all the rules)
Girl you knocked me down like a domino
Girl you so unstoppable
I can't keep my hands away
UnstoppableI can't keep my hands away
I can't keep my hands away
Woah-oh, unstoppable
Woah-oh, unstoppableSorry momma for all the lies (for all the lies)
You know I hate to make you cry (hate to make you cry)
But I can't change the way that I feel (no)
Oh, she knocked me down like a domino
Girl you so unstoppable
She gon' be the death of me
UnstoppableI can't keep my hands away
