

# Factory of Faith

## Red Hot Chili Peppers

All my life I was swinging for the fence  
I was looking for the triple  
Never playing good defence  
Gunning for the glitter  
Every hot and heavy hitter  
She was never really there  
So I couldn't really get her, said Factually, I  
I'm just a piece of it  
Factually, I  
The very least of it  
Piece of work, I was really quite a jerk  
Keeping score was such a bore  
A busy mind can go berserk  
Feast on this, I was fishing for a So I took a little drip  
And I opened up the book, I said  
Factually, I  
I'm just a piece of it  
Factually, I  
The very least of it  
Factually, I  
It's just a medicine  
Makes you wanna cry  
Why don't they let us in?  
Be my wife I think you're right that we should mate Tell your friends  
I got a factory of faith Late last night  
I had a dream that it was great Tell your friends  
I got a factory of faith  
I got a factory of...  
Crack your whip  
She's confessing from the hip  
She was good for getting there  
But not as much a round trip All this time  
I was searching for a dream  
I was living in and out  
Of every other sex machine  
Factually, I  
I'm just a piece of it  
Factually, I  
The very least of it  
Factually, I  
It's just a medicine  
Makes you wanna cry

Why don't they let us in?  
Be my wife  
I think you're right that we should mate  
Tell your friends  
I got a factory of faith  
Late last night  
I had a dream that it was great  
Tell your friends  
I got a factory of faith  
I got a factory of...  
Be my wife  
I think you're right that we should mate  
Tell your friends  
I got a factory of faith  
Late last night  
I had a dream that it was great  
Tell your friends  
I got a factory of faith  
I got a factory of...  
Faith  
And love...  
And Looo...
