

Neighbors

Gnarls Barkley

Now my neighbor likes where I stay
But doesn't know the price that I pay
My neighbor
My neighbor
Wants what he sees
My neighbor
My neighbor
Thinks he wants to be me
But he'll never be
From out my window
It's just fine
But in his mind
Again his world is far from kind
So I invited him over
Could this make a new friend
But once I got to know ya
Wish I never let you in
Now my neighbor he, likes my clothes
But hadn't seen me with my scars exposed
My neighbor
My neighbor
Oh dissatisfied
My neighbor's
Behavior
Is unjustified
I'm sick and tired
I don't know
If he lives all alone
But if you're scared of the darkness
Best leave the lights on
I had a talk with my neighbor
Said it simple and plain
I guess he understood me
He never came back again
Now my neighbor he likes my car
But no matter where you go, there you are
