

# Neighbors

## Gnarls Barkley

Now my neighbor likes where I stay  
But doesn't know the price that I pay  
My neighbor  
My neighbor  
Wants what he sees  
My neighbor  
My neighbor  
My neighbor  
Thinks he wants to be me  
But he'll never be  
From out my window  
It's just fine  
But in his mind  
Again his world is far from kind  
So I invited him over  
Could this make a new friend  
But once I got to know ya  
Wish I never let you in  
Now my neighbor he, likes my clothes  
But hadn't seen me with my scars exposed  
My neighbor  
My neighbor  
Oh dissatisfied  
My neighbor's  
Behavior  
Is unjustified  
I'm sick and tired  
I don't know  
If he lives all alone  
But if you're scared of the darkness  
Best leave the lights on  
I had a talk with my neighbor  
Said it simple and plain  
I guess he understood me  
He never came back again  
Now my neighbor he likes my car  
But no matter where you go, there you are
