

# Roses (Imanbek Remix)

SAINT JHN

[Verse 1]

Roses

I walked in the corner with the body screaming dolo  
Never sold a bag but look?like?Pablo in a?photo  
This gon' make 'em feel the?way like Tony killed Manolo  
You already know though, you already know though  
I walk in the corner with the money, on my finger  
She might get it popping, I might wife her for the winter  
I already know, already know, nigga roses  
All I need is roses

[Chorus]

Turn up baby, turn up, when I turn it on  
You know how I get too lit when I turn it on  
Can't handle my behavior when I turn it on  
Too fast, never ask, if the life don't last  
Done been through it all  
Fuck with a nigga raw, this who you wanna be  
And I know you won't tell nobody nothing  
And I know you won't tell nobody no

[Verse 2]

Roses

I might pull up flexing on these niggas like aerobics  
I might tell her girl you cute but balling, that shit gorgeous  
Standing on the table, Rosé, Rosé, fuck the waters  
You know who the God is

[Chorus]

Turn up baby, turn up, when I turn it on  
You know how I get too lit when I turn it on  
Can't handle my behavior when I turn it on  
Too fast, never ask, if the life don't last
