

One of Them Buddies

Upchurch

That old water tower smack dab in the middle of town
One time I was gonna spray paint big green pot plant on that
Then I sobered up and I looked around
And I couldn't believe what I seen
All my buddies grew up, had babies and a wife
But one of them buddies ain't me 'Cause I'm still ridin' around this town
Still blarin' the same old songs
Still try to find a spot where the cops don't park
So I can get my Willie Nelson on
I still stay lit like a county fair
Sweeter than a jug of Milo's tea
Yeah, your buddies might have moved out their own hometown
But one of them buddies ain't me
Nah, it ain't me
Nah, it ain't me
Nah, it ain't me
Nah, it ain't me They say buy a lift kit 'cause now you're rich but that's not my frame of mind
I still trim the bumper off in the front just to fit my 35's
I got the tread still hummin' down cracked asphalt
Singin' Billy Bob loves Charlene
And I still love seein' that hometown life
Say's welcome to Tennessee And I'll be ridin' around this town
Still blarin' your favorite songs
I'll be sittin' in a spot where the cops ain't park
Gettin' my Ryan Upchurch on
Yeah you know I'm lit like a county fair
Stay chuggin' on Milo's tea
Yeah, you're buddies may have moved out their own hometown
But one of them buddies ain't me
Nah, it ain't me
Nah, it ain't me
Nah, it ain't me
Nah, it ain't me 'Cause I'm still ridin' around this town
Still blarin' the same old songs
Still try to find a spot where the cops don't park
So I can get my Willie Nelson on
I still stay lit like a county fair
Sweeter than a jug of Milo's tea
Yeah, your buddies might have moved out their own hometown
But one of them buddies ain't me
