

Dinner & Diatribes

Hozier

Honey this club here is stuck up

Dinner and Diatribes

I knew well from our first hookup

The look of mischief in your eye

Your friends are a fate that befell me

Hell is the talking type

I'd suffer hell if you'd tell me

What you'd do to me tonight

Tell me

Tell me

Tell me

That's the kinda love

I've been dreaming of

That's the kinda love

I've been dreaming of

Honey I laugh when it sinks in

A pillar, I am upright

Scarcely can speak for my thinking what

You'd do to me tonight
Now that the evening is slowing
Now that the end's in sight
Honey, it's easier knowing what
You'd do to me tonight

Tell me
Tell me
Tell your man

That's the kinda love
I've been dreaming of
That's the kinda love
I've been dreaming of

That's the kinda love
That's the kinda love
That's the kinda love
That's the kinda love...

Ohhhh
Let there be hotel complaints and grievances raised
And that kind of love
Ohhhh

Let there be damage ensued and tabloid news

And that kind of love

That's the kinda love

I've been dreaming of

That's the kinda love

I've been dreaming of
