

Get Tha Dough (feat. Iamsu! & ST Spittin)

Kool John

[Hook x2: Kool John]

We like big cars

Big blunts big whips

Big bloods big crips

We like them girls

Gotta have them girls

Gotta get that dough

Gotta get that dough

[Verse 1: Kool John]

Shmop boys do it bigger than a monster truck

Beep beep get the money like a Brinks truck

They keep saying how I do that there

Take a nigga bitch with my boo right here

I'm a Shmop Rich city go getting boss man

Met her after show, and you know she getting tossed man

Filthy drip Shmop life, no it's not at Ross man

Pocket full of stacks, 2 chains I love to floss man

Gotta get the dough, gotta get it it's no option

Thick bitch threw it back like [?]

Shmop life getting money like a non profit

You with them old hating no money niggas stop it

Drink it by the case yeah you know a nigga popping

The game like pool and I'm calling corner pocket

I'ma be ready late night like pizza

Young shmop nigga got swipe like a Visa

[Hook x2]

[Verse 2: IamSu!]

I'm that nigga, same old nigga

Ain't shit changed, name just bigger

Cop clothes daily, drop flows daily

You not gon' see me if they not gon' pay me

My Bape coat wavy, I just met Jay-Z

I done sold a million fucking albums already

My young niggas ready, my kick game deadly

I'm finna buy a Chevy, hoes I got a bevy

Every day nudies, I don't rock Levi's

I don't smoke reggie, I don't do petty

I'm top 5 easy, worldwide easy

Flannels and a snapback my whole style Eazy

Listening to Weezy, money on my meezzy

You stepped on my Yeezy's so baby you are leaving

I'm steaming the best stand next to me catch contact

HBK gang put your life on that

Ya digg?

[Hook x2]

[Verse 3: ST Spittin]

Yes yes I'm mentioned from the town to the Riches

I should get a bill cuz I'm paying your attention

You ain't learned about us yet I'ma sit you in detention

[?] for the trenches, wavy with the women

Cruising like an ocean I created what you wishing

Pulling away we keeping distance ice cold like [?]

Bitches jocking for a mention I'm just shmopping how I'm living

Shovel flow, gotta dig it, never scripted, gotta live it

Get it get it go girl, supermodel show girl

You know who you are with your [?] girl

You and all your niggas winning and I'm winning for sure

If you want it you can have it baby it's yo world

Type of conversation [?]

Cross faded, misbehaving got it dripping like a curl

Pick a winner not a nerve then observe

What we do and what we learn

What we yearn, we observe ya heard

[Hook x2]
