

# Birthday Party

AJR

[Verse 1]

This hospital's got lots of cryin' kids  
A minute ago, I did not exist  
It's nice to finally meet my relatives  
I bet it's always gonna stay this fun  
I bet it's easy stayin' 'way from drugs  
I bet our parents always stay in love  
Always stay in love

[Pre-Chorus]

Me, my, oh, what a life  
So me and all my people gon' be stepping in time (Wow)  
Me, my, oh, what a life  
So me and all my people gon' be stepping in time

[Chorus]

So thank you  
For coming to my birthday party  
I am one-minute-old today  
And everything is going great (Oh)  
Thank you  
For coming to my birthday party  
I am one-minute-old today  
And my minute's been going great  
And I hope it stays that way

[Verse 2]

I bet this Instagram's a load of fun  
It's best to show the best of everyone  
I bet it never bites us in the bum  
I bet my ignorance is always bliss  
Except ignoring pigment in our skin  
I bet my country's nice to immigrants  
And that's just how it is

[Pre-Chorus]

Me, my, oh, what a life  
So me and all my people gon' be stepping in time (Wow)  
Me, my, oh, what a life

So me and all my people gon' be stepping in time

[Chorus]

So thank you  
For coming to my birthday party  
I am one-minute-old today  
And everything is going great (Oh)  
Thank you (thank you)  
For coming to my birthday party  
I am one minute old today  
And my minute's been going great  
And I hope it stays that way

[Bridge]

In Heaven  
Everything is fine  
In Heaven  
Everything is fine  
You got your good things  
And I've got

Heaven  
Everything is fine  
In Heaven  
Everything is fine  
You got your good things  
I've got mine

[Chorus]

Thank you (Thank you)  
For coming to my birthday party  
I am one-minute-old today (One-minute-old today)  
And everything is going great  
(I've got mine)  
Thank you (Thank you)  
For coming to my birthday party  
I am one-minute-old today (One-minute-old today)  
And my minute's been going great  
(I hope it stays that way)

[Outro]

This hospital's got lots of crying kids  
A minute ago I did not exist  
It's nice to finally meet my relatives  
I bet I'll never outgrow all my friends  
I bet I'll see a female president  
Yeah, I can tell this life'll be a cinch

And that's just how it is
