

Two Days Old

Cash Cash

[Verse 1]

So I'm to blame
The reason why you left him a mess and without a sigh
He was first, I was next, but enough to make you leave his side
But do you know?
Do you know what happens next?
As he's torn apart left thinking

[Chorus]

She got on a plane and they're miles apart
Dug a little hole, then she buried his heart
With the one she trusts, and they're on the run
Tears fall like the rain
I feel a little bad when I think of the pain that you put him through
Am I such a fool?

[Verse 2]

Yeah, here we are, and every line I say seems to come out right on time
It's a first, nonetheless just enough to keep you where you are
But will it change?
Will I be the next one hurt?
Or the next one to complain

[Chorus]

That she got on a plane and they're miles apart
Dug a little hole, then she buried his heart
With the one she trusts, and they're on the run
Tears fall like the rain
I feel a little bad when I think of the pain that you put him through
Am I such a fool?
Am I such a fool?

[Bridge]

She'll move on
She'll move on
She'll move on, what is she waiting for?

[Chorus]

She got on a plane and they're miles apart
Dug a little hole, then she buried my heart

With the one she trusts, and they're on the run
Tears fall like the rain
I feel a little bad when I think of the pain that you put him through
Am I such a fool?

[Post-Chorus]

So what am I waiting for?
Yeah when she keeps running, she keeps running
She's moved on, she's moved on
She's moved on, she's moved on
