

# Won't Stop

## OneRepublic

Uh ohh  
Now i stared at you  
From across the room  
Until both my eyes were faded  
I was in a rush  
I was out of luck  
Now I'm so glad that I waited  
Well you were almost there  
Almost mine... yeah  
They say love ain't fair  
But I'm doing fine...  
Cause i swear it's you  
I swear it's you  
I swear it's you that I've waited for  
I swear it's you  
I swear it's you  
I swear it's you that my heart beats for  
And it isn't gonna stop  
No it just won't stop  
Uh oh ohYeahNow you were fine by night  
But when the morning light comes  
Comfortable as rain on Sunday  
And I'm a lucky soul  
That holds your hand so tight  
Hope you hear this one day  
Don't fool yourself  
This is my truthI swear it's you  
I swear it's you  
I swear it's you that i waited forI swear it's youI swear it's you  
I swear it's you that my heart beats for  
And it ain't gonna stop  
It just won't stopYou take this hand  
You take this heart  
Steal my bones  
From 1000 miles apartFeels so cold  
Felt just like its ten shades of winter  
And i need the sun  
Ohh yeahh  
Oh oh no no yeah yeahAnd i swear it's you  
I swear you  
I swear it's you that it waited for  
I swear it's you

I swear its you  
I swear it's you that my heart beats for  
I swear it's you  
I swear it's you  
I swear it's you that I've waited for  
I swear it's you  
I swear it's you  
I swear it's you that my heart beats for  
And it ain't gonna stop  
It just won't stop  
Heyy yeahh  
It just won't stop It just won't stop  
No no no no woahh yeah  
I swear it's you  
I swear it's you  
Ohh yeah
