

He Wasn't Man Enough

Toni Braxton

[Intro]

Darkchild
Oh, yeah, yeah
Toni Braxton, oh
Ha-ha, uh-huh
Yeah, uh, uh
Darkchild, yeah

[Verse 1]

Listen, girl
Who do you think I am?
Don't you know that he was my man?
But I chose to let him go
So why do you act like I still care about him?
Looking at me like I'm hurt
When I'm the one who said I didn't want it to work
Don't you forget I had him first

[Pre-Chorus]

What are you thinkin'?
Stop blaming me
He wasn't man enough for me
If you don't know, now here's your chance
I've already had your man
Do you wonder just where he's been, yeah?
And not be worried about him
Now it's time you know the truth
I think he's just the man for you

[Chorus]

What are you thinking?
Did you know about us back then?
Do you know I dumped your husband, girlfriend?
I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me

[Verse 2]

Listen, girl
Didn't he tell you the truth?
If not, then why don't you ask him?
Then maybe you can be more into him
Instead of worryin' about me
And hopefully you won't find
All of the reasons why his love didn't count
And why we couldn't work it out

[Pre-Chorus]
What you thinkin'?
Stop blaming me
He wasn't man enough for me
If you don't know now, here's your chance
See, I've already had your man
Do you wonder just where he's been, yeah?
And not be worried about him, yeah
Now it's time you know the truth
I think he's just the man for you

[Chorus]
What are you thinking?
Did you know about us back then?
Do you know I dumped your husband, girlfriend?
I'm not thinking 'bout him
But you married him
Do you know I made him leave? (Do you really know?)
Do you know he begged to stay with me?
He wasn't man enough for me
What are you thinking?
Did you know about us back then?
Do you know I dumped your husband, girlfriend?
I'm not thinking 'bout him
But you married him
Do you know I made him leave? (Yes, you did)
Do you know he begged to stay with me?
He wasn't man enough for me

[Bridge]
Oh yeah
So many reasons why our love is through, yeah
What makes you think he'll be good to you, no
It makes no sense, 'cause he will never change
Girl, you better recognize the game, oh yeah

[Chorus]
What are you thinking?
Did you know about us back then
Do you know I dumped your husband, girlfriend?

I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
What are you thinking?
Did you know about us back then?
Do you know I dumped your husband, girlfriend?
I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
What are you thinking?
Did you know about us back then?
Do you know I dumped your husband, girlfriend?
I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
