

# F You I Love You (feat. Teyana Taylor)

KYLE

We both try  
We both try, to get things right  
But I still write the most hurtful words I could find  
(Laugh all day) Fight all night  
But somehow when the sun rises  
I'm shocked we're both surviving But I still feel like fuck you (Fuck you)  
Baby, you still feel like fuck me (Fuck me)  
I know things can get so ugly (Ugly)  
But still' how I'd get so lucky? (Lucky)  
To have found someone so awesome (So awesome)  
I thank God I've finally got one (Got one)  
Watch the love we both have blossom (Blossom)  
And if that one dies  
I'll plant another seed and watch a new one rise  
'Cause baby' I hate you sometimes  
If you hate me too' that's alright  
Fuck you, I love you  
Baby, don't apologize  
'Cause I done said a thousand times  
Fuck you' I love you Why you always acting like that?  
Throwin' my shit, throwin' a fit  
So attractive like that, when I'm under attack  
I can't have this conversation without mediation  
Always mediating your high expectations of me  
Need medication on me' need meditation to sleep  
But I can't tell you to stop it, I kinda love it  
Don't care if I lose all of my deposit on you  
I spent a shit load on you and all of the shit that you do, so  
Fuck you, and baby, fuck me  
Baby, things can get so ugly  
But still, how I'd get so lucky?  
To have found someone so awesome  
Thank God I've finally got one  
Watch the love we both have blossom  
And if that one dies  
I'll plant another seed and watch a new one 'Cause baby, I hate you sometimes (Oh woah)  
If you hate me too, that's alright  
Fuck you, (Mmm) I love you  
Baby, don't apologize  
'Cause I done said a thousand times  
Fuck you, I love you I really wish that I was wit' ya  
But I'm surrounded by 3000 niggas

And they all really want take pictures  
So I apologize if I don't find time to like yours  
I wish I could buy some more time from a store  
When you get on my case, I get OD'd, annoyed  
The darkest parts of my psyche get exploited  
If you push one more button, it'll be mission abort  
Sometimes I feel like we just argue for sport  
It's always the playoffs, but nobody wins  
You mad baby, say it, no need to pretend  
'Cause I know you so well, we might as well be twins  
So we kiss, and we argue, and argue again  
It gets like that when your lover's your best friend  
You take me to heaven, but giving me hell  
You know you can win in an argument  
You take your shirt off whenever I get mad  
You take your shirt off 'cause you know me well  
If I had to choose one, you would be the one  
Even when you got your clothes on 'Cause baby, I hate you sometimes (Ooh woah)  
If you hate me too, that's alright  
Fuck you, (Yeah) I love you  
Baby, don't apologize  
'Cause I done said a thousand times  
Fuck you, I love you Ooh-ooh-ooh  
Ooh-ooh-ooh  
I fucking love you  
I fucking love you too  
Ooh, ooh, yeah, yeah, yeah  
Fuck you, but I love you
