

Racism

Adam Calhoun

[Intro]

Hillbilly

Cracker

Nigga

White trash

Fuck you, nigga

[Verse 1]

What the fuck you rappin' for, cracker ass cracker
Got your rebel flag with your camo hat backwards
Stains on your shirt, with your fucked up teeth
Piece of shit truck broke down middle of the street
Old lady bitchin' in the passenger seat
Smokin' like a chimney, kids in the back can't breath
Got a kid on her lap, smack his ass if he speaks
Always wearin' wife beaters, 'cause their ass gettin' beat
Okay that's white trash, but what about a hillbilly
Redneck motherfucker never even near a city
Out in the woods, huntin' deeper than the wolves
Get the big ol' buck, bring him home, eat until they full
Or they out in the shed, on the side drinkin' shine
Ol' lady bitchin' better bring your ass inside
It's way past nine, you've been drinkin' all night
Gotta get to work on time, up before the sunrise

[Chorus]

They call me redneck, white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass
They call me redneck white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass
They call me redneck, white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass
They call me redneck white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass

[Verse 2]

What the fuck you rappin' for, nigga ass nigga
Got your saggin' pants with your ass hangin' out the back
Hangin' out in front of liquor stores sellin' crack
Just so you can put some 24's on your Cadillac
Baby mama bitchin', you ain't takin' care of business
All you do is smoke weed, run around with other bitches
And you can't keep a job, 'cause you're in and out of prison
Guess it must be Trump's fault, 'cause you're makin' bad decisions

That's about niggas but what about black folk
Raise their kids right, every night mom and dad are home
Huntin' for a job, not cryin' about a privilege
Cryin' out to God, stop the violence where we livin'
Fuck it though, you a nigga and I'm just a cracker
They pin us against each other, sit back and they watch it happen
In the hood they sellin' crack, and killin' over shoes and jackets
In the trailer park they fall apart, a bunch of meth addicts

[Chorus]

They call me redneck, white trash, say you're bad
I don't care kiss my ass, I don't care kiss my ass
They call me redneck white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass
They call me redneck, white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass
They call me redneck white trash, say "You're bad"
I don't care kiss my ass, I don't care kiss my ass
