

Deep

Lizzo

I feel off, I might love you, baby

I'd give my soul

You and I can't stand the feeling, I love it

The one you want, you can't fuck it up, yeah

No self-control

Weed it out and come get your girl

Oh yeah, yeah

Call me, my long, long lost companion

Prove that my love is sometimes crazy

Hold my hand a whole lot closer, whole lot closer

Feel it, I know, I know, I know

How deep is your love for me, baby?

Does it make your ass a donor?

How deep is your love for me, baby?

'Cause I know now a donor supposed 'ta

Oh-a, oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

When you ask if I love ya, baby

I tell you no

Move it down, I can't feel it, feel it, oh yeah yeah

You're wrong, you're right, you can't figure out

You're so defensive

Play at night like insomnia, oh yeah, yeah, yeah

Call me, my long, long lost companion

Prove that my love is sometimes crazy

Hold my hand a whole lot closer, whole lot closer

Feel it I know, I know, I know

How deep is your love for me, baby?

Does it make your ass a donor?

How deep is your love for me, baby?

'Cause I know now a donor supposed ta

Oh-a, oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Cool up the wind now

Love will open the door

Cool up the wind now

Go and open the door

Love ain't a rodeo

I'll never rescue you

Love ain't no Romeo

Get what you're askin' for

How deep is your love for me, baby?

Does it make your ass a donor?

How deep is your love for me, baby?

'Cause I know now a donor supposed ta

Oh-a, oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a

Oh-a, oh-a, oh-a

Hey-ee-ay, oh-a oh-a
