

No Time To Die

Billie Eilish

[Verse 1]

I should have known
I'd leave alone
Just goes to show
That the blood you bleed is just the blood you owe
We were a pair
But I saw you there
Too much to bear
You were my life, but life is far away from fair
Was I stupid to love you?
Was I reckless to help?
Was it obvious to everybody else?

[Chorus]

That I'd fallen for a lie
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

[Verse 2]

I let it burn
You're no longer my concern, mmm
Faces from my past return
Another lesson yet to learn

[Chorus]

That I'd fallen for a lie
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

[Refrain]

No time to die, mmm
No time to die, ooh

[Outro]

Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die
