

# Fun

## Megan Nicole

Oh-oh-h, we're just playing  
We ain't misbehaving  
We're just tryin' to have a little fun  
Oh-oh-h, celebrating  
Keep your body shaking  
We are gonna stop to examGrab my heels and found my keys  
Winding out the door  
Fix my make up in the car  
Who knows what's in store?  
Driving through the city lights,  
Looking for my crowd  
Windows down, I shout it out  
Turn the beat up loud  
Gonna live my life, (oh-oh)  
Doing what feels right (oh-oh)  
Give me that green light (oh-oh)  
'Cause tonight, yeah tonight, yeah tonightOh-oh-h, we're just playing  
We ain't misbehaving  
We're just tryin' to have a little fun  
Oh-oh-h, celebrating  
Keep your body shaking  
We are gonna stop to exam  
Have a little funHands up, say yeah, little fun  
Hands up, say yeah, little fun  
Hands up, say yeah, singing "Heya! Heya!"  
Hands up, say yeah, little fun  
Hands up, say yeah, little fun  
Hands up, say yeah, just a little fun  
Got no time for attitude,  
Haters stay away  
Keep it crazy, keep it cool,  
I love being in LA  
Everywhere around the world the party never stop  
'Cause anything is possible when the music dropsGonna live my life, (oh-oh)  
Doing what feels right (oh-oh)  
Give me that green light (oh-oh)  
'Cause tonight, yeah tonight, yeah tonightOh-oh-h, we're just playing  
We ain't misbehaving,  
We're just tryin' to have a little fun  
Oh-oh-oh, celebrating,  
Keep your body shaking,  
We are gonna stop to exam

Have a little funHands up, say yeah, little fun
