

# Ride It

## Regard

[Chorus]

Ride it, we're all alone  
Ride? it, just lose control  
Ride? it, ride it, come touch my soul  
Ride it, ride, let me feel you  
Ride it, turn the lights down low  
Ride? it, from head to toe  
Ride? it, ride it, touch my soul  
Ride it, ride, let me feel you

[Verse 1]

It's? been a month and twenty days  
And we're going 'round and 'round, playing silly games  
Now you're saying, slow it down, not right now  
Then ya wink at me and walk away  
Let? it be, let it be, let it be known  
Hold on, don't go  
Touching and teasing me, telling me no  
But this time I need to feel you

[Chorus]

Ride it, we're all alone  
Ride it, just lose control  
Ride it, ride it, come touch my soul  
Ride it, ride, let me feel you  
Ride it, turn the lights down low  
Ride it, from head to toe  
Ride it, ride it, touch my soul  
Ride it, ride it, let me feel you

[Verse 2]

Movida was the club on the Saturday  
Ya actin' like a diva, sayin' you don't wanna pay  
It's gotta be ya feisty style, raised eyebrow  
I love it when you look at me that way  
Now we're in, you order a mojito at the bar  
You re-apply lipply 'cause it came off on the glass  
The DJ plays your favorite songs, Kanye's on  
Now ya beckoning for me to dance  
Mm, pullin' me, pullin' me, pullin' me close

Just close your eyes, girl  
Whispering, tellin' me we gotta go  
Won't you take me home? I want to ride it

[Chorus]

Ride it, we're all alone  
Ride it, just lose control  
Ride it, ride it, come touch my soul  
Ride it, ride it, let me feel you  
Ride it, turn the lights down low  
Ride it, from head to toe  
Ride it, ride it, touch my soul  
Ride it, ride it, let me feel you

[Interlude]

[Chorus]

Won't you take me home? I wanna  
Ride it, we're all alone  
Ride it, just lose control  
Ride it, ride it, come touch my soul  
Ride it, ride it, let me feel you  
Ride it, turn the lights down low  
Ride it, from head to toe  
Ride it, ride it, touch my soul  
Ride it, ride it, let me feel you
